Nissui further investment – Issue of Shares and Disclosure under ASX Listing Rules 7.1A.4(b) & 3.10.5A

Further to its announcement on 29 April 2019, Seafarms Group Limited (ASX: SFG) (**Seafarms**) is pleased to advise that it has issued 33,311,111 fully paid ordinary shares (**Shares**) to industry partner, global seafood giant Nippon Suisan Kaisha Limited (**Nissui**) at an issue price of \$0.09 per Share, raising a total of \$2.998 million (**Nissui Placement**). The Nissui Placement was conducted in connection with Nissui's contractual anti-dilution right to participate in new issues of securities to maintain its interest in Seafarms, which was activated by Seafarms' recently completed \$20 million Share placement.

Disclosure required under Listing Rules 3.10.5A and 7.1A.4(b)

The Shares issued under the Nissui Placement were issued pursuant to Seafarms' additional 10% placement capacity under Listing Rule 7.1A. Accordingly, Seafarms provides the following information under Listing Rule 3.10.5A and Listing Rule 7.1A.4(b):

- (a) A total of 33,311,111 Shares were issued under Listing Rule 7.1A (representing 1.73% of post-Nissui Placement capital, and resulting in a dilution to existing shareholders of that amount). Nissui, an existing shareholder of Seafarms, was the only participant.

The capital in Seafarms following the Nissui Placement is as follows:

- | | |
|--|--------|
| • Existing shareholders who didn't participate in the 7.1A Issue | 85.27% |
| • Existing shareholders who did participate in the 7.1A Issue | 14.73% |
| • New shareholders pursuant to the 7.1A Issue | 0% |

- (b) The Nissui Placement was conducted in connection with Nissui's contractual anti-dilution right. In general terms, this right entitles Nissui to be offered to subscribe for the number of Shares required to enable it to maintain its shareholding percentage in Seafarms immediately prior to a capital raising by Seafarms (in this case the recently completed \$20 million Share placement). While other shareholders did not participate in the Nissui Placement, they have also been provided with an opportunity to subscribe for Shares at the same issue price under the Share Purchase Plan announced by Seafarms on 5 April 2019 which has been extended until 22 May 2019.
